

A Quick Glance at the MDIntelleSys Patient Portal

The screenshot shows the MDIntelleSys Patient Portal interface. At the top, there is a navigation bar with links: Home, Appointments, Messages, and Connect. On the right, it says "Hello shua@iupui.edu!" and "Log off". Below the navigation bar, the "Appointments" section is highlighted. It contains a summary of appointments and a table with columns: Date, Description, Practice, Location, Provider, Summary, and Download. Two callout boxes point to the "Messages" link and the "Connect" link. Another callout box points to the "View" link in the "Summary" column of the table.

History Log | Record Sharing

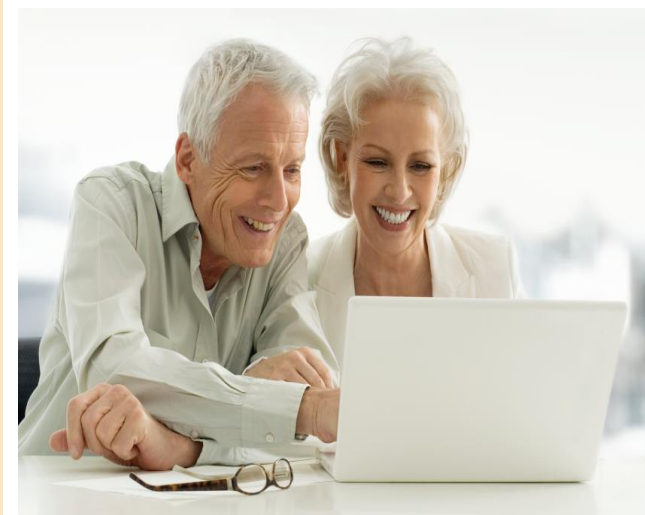

If you already have an MDI portal account with another eye care provider using the MDI portal, then log in with your existing email and password and click "Connect" then enter the new Identity Code provided to you by your new Midwest Eye Institute provider.

Click on View to access your clinical summary

NOTE: Do not use the MDI Patient Portal as a way to contact your provider if you have a medical emergency. Call 911 for all medical emergencies.

Patient Portal

Your physician's MDIntelleSys patient portal will allow you to access your eye care records with your Midwest Eye Institute provider via the web at any time no matter where you are. It is one additional tool that can help you manage your own healthcare.

YOU CAN CONNECT WITH YOUR
MIDWEST EYE PROVIDER
THROUGH A CONVENIENT AND
SECURE SETTING. ALL IT TAKES
IS COUPLE STEPS TO GET YOU
REGISTERED.

To Sign Up:

1. During your visit with your Midwest Eye Institute provider, ask how you can get registered for access to the patient portal.
2. You should receive a printout confirmation from your doctor's office with your own unique **Identity Code** and chosen **Security Question**.

3. Visit Midwest Eye Institute website at www.midwesteye.com and access the portal under "Patient Resources." Or you can visit the portal directly at <https://mdi.intellechartportal.com/>

The MDIntelSys log in screen is pictured below.

4. Click "Register as a New User" and complete the required fields. Then click "Register."

The registration screen is pictured below.

5. Enter the Identity Code that was provided to you by your Doctor's office and click "Connect".

6. Input the answer to your chosen security question and click "Connect".
